WORLD ONE SCHOOL

Dear Vignan's World One School Family,

With immense pride and joy, I reach out to you today to celebrate an extraordinary achievement. I am thrilled to announce that six of our exceptional athletes have participated in the CBSE Cluster Games and been selected for the nationals showcasing the true spirit of Vignan's World One School. This remarkable feat is a testament to their dedication, hard work, and the unwavering support of our entire school community.

This success story would only be complete with recognizing the incredible support system that propelled our students forward. A heartfelt thank you to our coaching staff for their guidance, parents for their unwavering support, and our administrative team for providing the best training facilities. Your efforts have made this success possible.

We believe in nurturing not just academic excellence but also promoting well-rounded individuals who excel in their chosen fields. As we celebrate this milestone, let it serve as a stepping stone for even greater achievements. To all our students- let this success inspire you to dream bigger and reach higher. Remember, every one of you has the potential to shine on national and international stages.

As we bask in the glory of this achievement, we're also on the verge of celebrating Dussehra. May this festival of triumph of good over evil bring more joy, success, and prosperity to all our lives.

I extend my heartfelt congratulations once again to our national qualifiers, their coaches, and everyone who has been a part of this incredible journey. Go forth and conquer, dear students. The entire Vignan's World One School family is rooting for you!

"Education is not the filling of a pail, but the lighting of a fire."

W B Yeats

Dear Students, Parents, and Educators,

This quote by Yeats reminds us that education is not just about gathering knowledge but about sparking curiosity and inspiring a love for learning that lasts a lifetime.

This sentiment holds even more significance as we celebrate Teachers' Day. Our teachers are the heart and soul of this school, and their unwavering dedication to nurturing young minds is the foundation of every success story that comes from our classrooms. Parents, your involvement and support at home reinforce the lessons taught in school, and your engagement in the learning process is key to your child's success.

We are proud to celebrate our students' remarkable achievements in the CBSE Cluster Games, with Gold and Bronze medals, and six students qualifying for National Selections at Varanasi. This success is a testament to their hard work, as well as the guidance of their coaches, teachers, and families.

As September is exam time, I encourage each student to approach these exams with focus and confidence, knowing that your teachers and parents are here to support you at every step. Let us continue to strive for greatness in every area of school life- academics, sports, and personal growth-making this year one of excellence.
