CEO'S DESK

◀◀◀ Srikant Nandigam

Dear Students, Parents, and Staff,

I hope this message finds you well. I want to express my gratitude for your unwavering support and dedication. Our collective efforts drive our students' success and our community's spirit.

As we continue to navigate through these distinctive times, I wanted to take a moment to share a personal experience with you all. As a CEO and a parent, I have witnessed first-hand the incredible impact that early childhood development can have on a child's behavior and growth. It is truly amazing to see how children absorb and learn from their surroundings and how crucial it is for us as parents and educators to provide a positive and nurturing environment for them.

In addition, I would also like to highlight the important role that grandparents play in a child's development. Their love, guidance, and wisdom can have a profound influence on a child's character and values. Let us not forget to honor and appreciate the role of our grandparents in shaping the future generation.

Together, we will continue to foster an environment of growth, innovation, and excellence. I look forward to the achievements and milestones we will accomplish together this year.
