Dear Students, Parents and Staff

I hope this message finds you well and in good spirits. It brings me immense joy to share that our students have returned from their Dussehra vacation, refreshed and eager to embark on the next phase of their academic journey.

The break offered our young learners a well-deserved respite, providing them the opportunity to unwind, spend quality time with their families, and partake in the festive celebrations. It is truly heartwarming to see our students return with enthusiasm and energy, ready to engage in new learning experiences and embrace the opportunities ahead.

Throughout the vacation, our faculty and staff were dedicated to ensuring the health, safety, and overall well-being of our students. They followed all precautionary measures and health guidelines, ensuring a smooth and safe transition back to school.

I would also like to extend my heartfelt gratitude to the parents for their continued support in making this seamless academic experience possible for their children.
